

Website Accessibility Guide

Fort Payne City School has purchased a program that provides accessibility features on our district website. The following features are offered:

- Electronic braille
- Audio
- Translated version

If you or your child need additional resources in order to access information on our website, please follow the directions below.

1. Find the accessibility icon to the right of any document. 

The screenshot shows a webpage titled "POLICIES" with a list of documents. Each document has a red accessibility icon (a downward arrow with a white 'A') to its right. A hand-drawn circle highlights the icon for "FPCS Policy Manual". Below the list, a dropdown menu is open, showing options for different accessibility formats: HTML (selected), ePub, Electronic braille, Audio, Translated version, and Help. At the bottom of the menu, there is a "Cancel" button and a "Download" button with the accessibility icon. A black arrow points from the text in step 3 to the "Download" button.

2. Click on the icon to see the following accessibility features:

3. Select the desired accessibility feature, then click the Download button in the bottom right corner.
